Issue 6

Thank you for taking a moment to read this edition of the Prince George County Economic Development e-Newsletter. We hope you find this publication informative, timely and interesting. Please feel free to contact our office should you have any ideas for future articles.

Habitat for Humanity

Prince George County is partnering with Tri-Cities Habitat for Humanity to help area families that may live below the poverty line. A kickoff for the construction effort in the County will be held on Saturday, August

17, 2013, from 10:00am to 2:00pm. County leaders and local Habitat representatives will meet in the 2nd Floor Break Room of the County's Administration Building. Everyone is invited to attend.

According to a November 2012 U.S. Census Bureau study, more than 16% of the United States population lives at or below poverty level, including almost 20% of American children. Habitat for Humanity's goal is to assist families in moving from substandard conditions to a safe and affordable home of their own. To volunteer, donate, or learn how a family can qualify for the program, please visit the Tri-Cities Area web site at www.tchfh.org.

"Building the future of families, one house at a time."

Director of Engineering/Utilities

Prince George County is currently seeking a Director of
