

## Goals of the LEPC

- Education of community on their responsibility in emergency preparedness
- Support the Community Right to Know Act
- Establish and maintain a subcommittee structure consistent with optimal support of the mission
- Establish partnerships with local, regional, state or national groups and organizations
- Stay in touch with changing views and needs of community
- Increase public awareness

### Create a disaster kit

- ▶ Use easy-to-carry containers.
- ▶ Plan for at least 5 days.
- ▶ Make sure everyone knows where kit and other essential supplies are kept.
- ▶ Check annually.
