Employee of the Month

We are proud to announce Officer Matt Bryant as our September 2018 Employee of the Month. Lt. Crawford submitted the following thoughts regarding Officer Bryant's recent performances:

"During times when Matt has been confronted with challenges, he has risen to the occasion with a positive attitude. Matt has shown dependability, efficiency and a willingness to take on additional responsibilities and duties; In fact, he often volunteers his talents before being asked. Throughout September, Officer Bryant was a leader with his proactive efforts. He was involved with numerous criminal, drug and traffic-related arrests. Beyond that, Matt continues to be a mentor for our more junior officers, and he is instrumental with our field training program."

Please join us in recognizing Officer Matt Bryant for all of his contributions to both the men and women of our agency and the community we serve.

MADD Award Officer Recognition

Announcements and News...

No-Shave November

We are proud to announce that effective November 1 – 30, Prince George County Police and Sheriff's personnel will be participating, for the third year, in the "No-Shave November" campaign. In support of our summer intern's mother and county employee, Leigh Primmer, and all of the other folks in our community who are either fighting or fought the battle with cancer, we will be exempting our grooming requirements, as it relates to facial hair, throughout the month.

The goal of "No-Shave November" is to promote cancer awareness by embracing our hair, which many cancer patients lose, with officers growing beards and goatees. Participants are asked to donate \$30.00 (one dollar per day) towards this cause.

Leigh Primmer was a valuable member of our Prince George team and an inspiration to her children as well as members of the county. All collected monies will be donated directly to the Primmer family.

Ft. Lee Credit Union Shred It Event

National Drug Take-Back Day

On Saturday, October 27, 2018, the Prince George Police Department participated in the DEA's National Prescription Drug Take-Back Day.

The goal of this service is to help prevent misuse of unused, unwanted, or possibly dangerous prescription or over-the-counter medications, and to prevent potential health and safety hazards by using the old method of throwing the medications in the garbage or flushing them.

The event was extremely successful with 305 pounds of drugs collected.

Prince George Police Department would like to thank the DEA, the volunteers, and the citizens whose participation made the event a huge success.
