RE: Optional Community Names specific to Prince George County.

Dear Property Owner:

At the request of Prince George County, the U.S. Postal Service has approved the use of optional or alternate community names for addresses in two ZIP codes in northern and southern Prince George County. Residents and businesses now will have the option of using the community names "North Prince George" and "South Prince George," respectively, in ZIP codes where Hopewell and Petersburg are currently used.

Your property is located in the **23860** ZIP Code, currently addressed as "**Hopewell**". Beginning **February 15, 2013**, you will have the option of using "**North Prince George**" as your community place name. This change is not mandatory and will not affect mail delivery. Formal change-of-address filings with the U.S. Postal Service are not required of anyone choosing to use the alternate place name in an address.

A list of Frequently Asked Questions (FAQs) is included in this correspondence. If you have any further questions about the use of alternative address names, please call (804) 722-8600.

Sincerely,

Jeffery D. Stoke
Deputy County Administrator
